

Black Dead/Wounded

This list was compiled from various sources and contains the names of men who were wounded or killed as a result of the violence on November 10. Also included in this list are several unknown deceased men whose place of death has been recorded. Not found in this list are the names of others, or locations of shootings, who have only vague references, such as the report in Hayden's *History of the Wilmington Light Infantry* to the deaths of 25 men near Sixth and Brunswick Streets.
